

KILLER SUDOKU

The sub-regions in the Killer Sudoku grid (indicated by dotted lines) have specified sums.

Fill numbers 1–9 in the empty spaces of the grid such that they appear exactly once in each row, column, and 3×3 square, and satisfy the sum clues.

15	8	11		12		17		
		12			6		9	
15			13			8	8	12
11		15		13	14			
13						7		11
28					17			
16		14		11		6		
		8		11	11	11		16
7		7				12
