

NUMBER BALL

Fill in some cells of the grid with digits 1 to 4 such that no number appears twice in any row or column.

A cell with a circle must contain a number; a cell with a cross cannot contain a number.

		3				×
	3				○	4
4		○		×		
	4	○				3
		○	2		○	
	○			×		
2			○		○	○
