

NUMBER BALL

Fill in some cells of the grid with digits 1 to 4 such that no number appears twice in any row or column.

A cell with a circle must contain a number; a cell with a cross cannot contain a number.

×		1				×
	○					2
○	○		×		○	
	○		×		3	○
		○		4		
	4	○	×			3
×					2	×
