RETURN HOME (KAERO)

The goal is to 'move' some letters horizontally or vertically such all letters in a region (indicated by thick black lines) are the same.

The letters cannot cross the tracks of other letters and cannot move over other letters.

Α	D	L		F		В		G
					K		J	
			F					
		G	G			ı		K
					Е	С	Н	
								В
Н	D						L	Н
