

## FRAME SUDOKU

The numbers on the outside framing the grid are the sums of the first three numbers in the corresponding row or column in the given direction.

Fill numbers 1–9 in the grid such that they appear exactly once in each row, column, and 3×3 square. The first three digits in any row or column of the grid should be placed such that they fulfil the sum clues framing the Sudoku grid.

	12	20	13	18	13	14	13	20	12	
15										12
19										16
11										17
17										18
12										14
16										13
18										19
12										12
15										14
	10	16	19	20	13	12	11	19	15
