CHOCO BANANA

Shade some cells in the grid to form rectangular or square areas of black cells.

An area of white cells must <u>not</u> form a rectangle or square.

If a black or white area contains a number, it indicates the size of this area. An area may contain more than one cell with a number.

				9				6	
			9			6		2	
9		9							
3				9					
	9		9						9
	9			8		8			
9					8				9
	9								
9					9				
		9		9		2		2
